

A GUIDE FOR ZOOM USERS

Instructions of how to set up and receive a Zoom call for Telehealth.

The following instructions assume your computer has a webcam and audio.

If your computer does not have a webcam, Zoom will not be the right option.

If your computer does not have audio and it does have a webcam, you can make a call using your phone and see the Doctor

via Zoom on the computer.

Any issues please call us on 0243391222.

You will be sent an email from info@pacificsleep.com.au and the contents will be like this below (please note you may receive this in your email application and the layout may look different but the content is the same) this is using GMAIL
